OFFICE OF
CHAS. F. IRONS,
—Manufacturer of Solid Gold Jewelry.—

SPECIALTIES:

EMBLEMS, PINS AND CHARMS, MASONIC, ODD FELLOWS, ETC.

102 Friendship St.

PROVIDENCE, R. I.

TO THE TRADE:

This Catalogue is issued to assist the trade in ordering goods and naming the different societies. The goods represented are solid gold, the cuts being the exact size. I keep in stock a full line, and am able to fill all orders promptly.

In front of book will be found Indexed the different societies and trades. In the back part of book the numbers are arranged in rotation, giving name of society represented, one under the head of Pins, the other of Charms.

I cannot accept an order from a retail house, but if sent through some jobbing house, it will receive prompt attention. I manufacture many patterns of emblems, which are not represented here, for am constantly making new designs.

I solicit correspondence for anything called for in this line, and will make any special designs to order—Monograms, Class Pins, Presentation Jewels, Prize Medals, etc.

My prices will always be found as low as any in market, considering quality and finish.

Yours Respectfully,

CHAS. F. IRONS.

Please do not cut the illustrations out of the Catalogue. Order by numbers the goods desired; also, give number of page in Catalogue.
